

The New Jersey Council of Churches is working with the International Soles 4 Souls Campaign to collect new and gently used shoes for the people of Haiti. As we all know, the people of Haiti are in great need. For many, the shoes they put on their feet the day of the earthquake are the only shoes they have.

Individuals who want to contribute should go to the Soles 4 Souls website at www.soles4souls.org and enter your zip code to get information on the drop off center nearest you.

PLEASE DO NOT BRING YOUR SHOES TO BE DONATED TO THE CHURCH! INSTEAD TAKE THEM TO THE DROP OFF CENTER NEAREST YOU!
